SPONSORSHIP PROGRAM

Founded in 1986, Granite State Onsite Wastewater Association (GSOWA) is a trade organization serving septic system designers, installers, evaluators, pumpers, land use consultants, and governmental agency in New Hampshire. The Association provides a strong, positive voice for the onsite wastewater industry and related land use matters in New Hampshire.

GSOWA has created an exciting program for companies selling their products and services to onsite wastewater professionals. Connect with our members across multiple platforms by selecting one of our new sponsorship packages. Use these unique branding opportunities to inform our members why they need your products and services, while showing them you support their association.

1. Ad must be formatted for GSOWA newsletter requirements
2. Aditorial (article) must be formatted to GSOWA newsletter requirements. Examples of an aditorial; new product announcement, project highlight, educational, or design related. GSOWA reserves the right to reject any aditorial (article) that does not meet the above. Any aditorial that slanders, discredits, tarnishes and defames any person, product, or company will be rejected.
3. Transferable voucher for free seminar can be given to any person (employee or client). Transferable voucher for free seminar does not include GSOWA annual conference.

GSOWA Association Offers...

✓ The News Brief

NEWS BRIEF, the Association's bi-monthly newsletter, is filled with the latest industry news, changes to administrative rules & state laws, advice from other members & state regulators, and events of interest to those in the onsite wastewater industry. Highly respected both in and outside our membership, the newsletters provide a reference for those looking to stay current on industry happenings around the state.

✓ Extensive Educational Programs

The Association offers a wide variety of state approved educational programs, providing our members with the information they want and the continuing education credits they need. Topics include but are not limited to, innovative technology systems, alternative products, hydric soils, wetlands, replacement of failed systems, proper installation and maintenance, etc.

✓ Annual Septic System Conference

The annual septic system conference and trade show features speakers from across the country. The conference also provides a venue where companies can display their products and interact with onsite wastewater professionals throughout the show.

✓ A Useful Website

An informative and expanded website for both members and the general public. We provide direct links to sites frequently used by the industry. Visit www.gsowa.org.

4. Company Logo/Name to be highlighted as a sponsor of GSOWA at GSOWA events. Logo must be formatted to meet GSOWA requirements for printing.
5. Transferable voucher to attend any GSOWA event at the membership rate can be given to any person (employee or client). Transferable voucher does include GSOWA annual conference.
6. Discount applied to first booth only. Does not include power or booth options.
7. Applies to first booth only. Does not include power or booth options.
